The Annual Staff of Liberty Union High School presents the
1955 LIBERTY LION

Liberty Union High School Brentwood, California

DEDICATION

This issue of the LION is dedicated to ourselves, to the teenagers. We make this dedication as a sort of a testimonial to our belief in ourselves, in our strength and our future.

This page is intended as a tribute to TED OHMSTEAD who has given to us his time and helpful interest, generously and without hesitation, for so many years. Although we may not always show it, we deeply appreciate his genuine concern for our welfare. This is our way of saying,

"THANK YOU, TEDDY"

PRINCIPAL'S MESSAGE

A major task of our schools is to teach our youth how to work together for the common good. In a large measure the future of our country depends on how well this task is met.

A school annual, such as this splendid *Liberty Lion*, certainly gives proof that our students are learning the art of effective group work.

The book itself is the result of the combined efforts of the editor, the annual staff and the advisor. Its pages present, in picture and print, a year's history of the active student life of our school.

It is working in this way for the success of the group that our youth learn the duties of American citizens.

CUSTODIANS

The Student Body would like to thank the custodians for all their help during the past year. We appreciate their cheerfulness and their services, without which, our school would not have been as pleasant or attractive.

We teen-agers are more complicated than the movies make us seem. Adults like to think of us as noisy and carefree or irresponsible and destructive. Some of us may be, but what adults forget is that we are individuals with individual interests, tastes and values. Some of us have a burning curiosity about what is going on around us. Even, perhaps, in a world we cannot see.

ANNUAL STAFF

It has taken much work to produce this year's annual. There were the problems of meeting deadlines, obtaining photographs, and raising money to give you a bigger yearbook than ever before. Through hard work and much cooperation the staff presents this '55 LION to you, the Student Body. We sincerely hope that it will recall many fond memories of the past school year.

I would like to express my grateful thanks to anyone who helped in any way to make this '55 annual a success. A special acknowledgement goes to the Rally Club for sponsoring the After Game Dance for the benefit of the annual, and the Block "L" for a percentage of the Sportscade. To my staff, may I thank you again for all the help you have given me, on the annual itself, and the activities we have sponsored. Thanks also, to my editors for all their work and cooperation. They gave up many evenings and Saturdays to help meet deadlines. To Mr. Giambruni, our advisor, I would like to express the appreciation of the whole staff, as well as myself, for all the help and advice he has given us. Without his efforts this book could not have been produced.

RALLY COMMITTEE

RALLY CLUB

"Sow spirit . . . reap victory"

The Rally Committee is an organization set up under the Student Council. They have broadened their scope to include the Rally Club, so more members may join. The main function of the Committee is to handle the Queen's contest and see that the money is spent to the benefit of all the students. This year they finished the electric scoreboard, equal to, if not better, than most college scoreboards.

The Rally Club is dedicated to promote school spirit. They are active in student affairs and work as a service group throughout the year. The club's three big events are "Homecoming," the Mardi Gras, and an assembly. The social events are picnics and a trip to some college Rally Committee. This year, under the direction of Stan Fortner, the Rally Club has grown to be bigger and better and its members can look with pride to its outstanding record.

Activities in which the organization participates are an annual Carnival, a semester trip and attendance at the Regional C.S.F. Convention.

FUTURE FARMERS OF AMERICA

The primary aim of the F.F.A. is the development of agricultural leadership, cooperation, and citizenship.

Some of the specific purposes are:

To develop competent, aggressive, rural, and agricultural leadership.

To create and nurture a love of country life.

To strengthen the confidence of farm boys and young men in themselves, and their work.

Our chapter tries to accomplish these purposes by encouraging each member to have a good home project and participate in chapter activities.

To help encourage this we have our annual "Best Freshman Project Award," and we also compete in the "American Trust Company's Award" system competition.

To strengthen the confidence of farm boys in themselves we encourage their participation in the county fairs, and the State Fair.

For summer activities besides the fairs we have a summer F.F.A. camp in the Sierra. Each summer our advisor takes a small group to this camp.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is the National organization of girls studying homemaking in junior and senior high schools of the United States and Territories.

A formal initiation was held in the autumn for all new members, who had to wear aprons to school for a week as part of their initiations.

Our club's activities consisted of selling doughnuts and hot chocolate during activity period; of making dolls and repairing toys for the needy children in our area for Christmas; of a field trip and an ice skating party. The year ended with an installation of new officers and senior dinner in Antioch.

TEEN TIMERS

N. LEWIS B. FUNEZ J. AVERY

Every Monday afternoon at 2:30 the Teen Timers leave for the Pittsburgh radio station KECC to broadcast the students' requests and dedications on Teen Time. These Teen Timers must be honor card holders.

Dedications are sent to KECC or given to the Journalism Class where the Teen Timers get them and rush to the station to broadcast the most popular records. The program is on the air between 4:05 and 4:30, Mondays—990 on your radio dial.

The teens is a time when we test ourselves against the world. It is a time of rivalry . . . rivalry among friends, sometimes . . . but rivalry nevertheless. Sports are one way to find what we're made of.

COACHES BRONZAN AND FERRILL

Another football season has passed by the way, and the suits are hung up to dry for another year. And in the hall a pennant flies which proclaims: "Champions—1954—Diablo Valley Athletic League—East Bay Division—Liberty High." Again, for the fourth year in a row, another championship team has been achieved at L.U.H.S.

During these four years, there have been many men in the Cardinal and Gold uniforms, some outstanding, some stars, some heros, but above all—guys who wanted to play the game . . . and play they have.

The players themselves have not been really outstanding in ability, but, thanks to the hard work of four men, they have been mixed thoroughly in a mad scramble, and have come out better than stars—they have been a team.

These four men, coaches, gentlemen, teachers and friends, have done much for football at Liberty. Much more than we could rightfully expect . . . they have been makers of champions, and, more important, makers of men . . . for this reason, we of the staff take this opportunity to say thanks to four great coaches—Lou Bronzan, Jack Ferrill, Bruce Nelson, and Don Inman . . .

COACHES NELSON AND INMAN

"A" TEAM

The Liberty Lions downed the San Ramon Wolves to win their first game in the newly formed league; the East Bay Division of the Diablo Valley Athletic League. This was anyone's game in the first, second and third quarters with scores being, 14-13, 20-20, 27-26, in their respective quarters. Urenda then made two TD sprints; one from the two yard line and the other from the eight, leading the Lions to victory.

Liberty defeated Albany to win their second league game. Scoring was started by Louie Fernandez who made a 55 yard dash for a TD. After Albany lost the ball on downs, Silveira made a TD in the second and third quarter, also making a TD in the third quarter was Urenda on a 71 yard run. Outstanding players on defense were Willis, Pringle, Bruckner, and Davis.

The Liberty Lions defeated the John Swett Indians and so advanced to top contention for the division championship. Silveira drew first blood on a one yard plunge in the first quarter. In the second quarter Silveira ran for his second TD. An intercepted pass by Willis was carried over for a TD by Urenda. In the third quarter Fernandez crashed over from the 5 for a TD. Then in the final period John Swett scored with a 20 yard pass.

The Lions traveled to Martinez and suffered their first defeat in the new league making it a three way tie between Alhambra, San Ramon, and Liberty. The only scoring in the game was made by Alhambra on a plunge from the eight yard line in the first quarter. The rest of the first half was a tight defensive game with Liberty making several treats. The Lions were a strong offensive group in the second half and reached their height in the fourth quarter, but it was too late for them to score.

Liberty handed their traditional rivals, the Livermore Cowboys, a defeat on the Lions' field. The first three quarters of the game was a tight defensive game with Liberty and Livermore both threatening on several occasions. The Liberty backs along with some fine offensive blocking proved to be too much for the cowboys as Silveira's two yard smash in the fourth quarter proved to be fatal to the Livermore team. Both teams crossed the goal line on other occasions only to be called back by penalties.

This rain drenched game played at Fairfield on Armistice Day was featured by the outstanding running of Captain Elect, Al Silveria and Stan Fortner. Stan contributed over 100 yards by rushing. Touchdowns were scored by Al Silveria twice, Herman Urenda and Lou Fernandez. Fernandez's run was a beautiful 25 yard sideline run featured by excellent blocking of Charles Willis, Victor Bruckner and Al Celoni. Liberty gained 16 first downs and 258 net yards rushing while holding Armijo to a short 5 first downs and 64 yards rushing.

This game ended Liberty's season with a 7 won, 2 loss season and a co-championship in the newly formed East Bay Diablo Valley League.

The following Seniors concluded their High School football in this game: Captain Al Silveria, Stan Fortner, Frank Davis, Don Rennels, Ray Coelho, and Leon Bevill.

This team will live in the minds of all as one of Liberty's finest.

Their achievements were many, of which winning the Co-Championship was probably of lesser importance than the manner in which they played each game. Sportsmanship and team unity were more evident this year than ever before in the five years of my coaching career.

Coach Ferrill and I have indeed felt it a pleasure to have been associated with this outstanding team.

Not often is a coach in a position of having had a team whose win and loss record is not spectacular, but in the coach's opinion the team is still one of the best and most colorful he has coached.

We had a very pleasing season, for this team had more team spirit, desire, hard work, and loyalty than any basketball team I have coached at Liberty. The boys liked each other and always played hard to win. They never quit and always gave the crowd a pleasing game until the final buzzer sounded. Most of the games we lost were games that could have gone either way quite easily.

It was sincerely a pleasure for me to coach such a receptive and loyal group of boys. I know they will continue to grow in basketball prowess and become a truly great team next season. Remember they beat Livermore—something that hasn't been done in the last four years.

The 1954 "B's" are to be commended for their fine play this season. From the standpoint of wins and losses the season has been a rugged one. The competition this year has been very tough. The Liberty Cubs not being a tall team had to contend with much taller teams all the way through the schedule.

This year's "B" team was a courageous group of boys. Despite larger teams, and subsequent losses they never let down. The boys because of their desire, team play, and sportsmanship won the acclaim of not only their own coaches, but those of rival coaches and players as well.

One "B" player, who was later moved up to the varsity, made all-league honors—that was Tom Shelton. Other outstanding "B's" this year were Leroy Hartwig, Jack England, Ralph Mendoza, Sidro Tarango, and Dave Borjon.

BLOCK "L" SOCIETY

The Block "L" is an organization composed of letter winners in varsity competition. The primary function of this organization is the regulation of gaining and displaying Athletic Awards.

Under the faculty advisorship of Mr. Bronzan and Mr. Ferrill this year Block "L" has undertaken various activities.

The Block "L's" first activity was their participation in the annual Homecoming Parade and also the crowning of the Football Queen. Later in the year they sponsored a basketball team in the Brentwood Recreational League.

The most outstanding activity of the year for this organization was the annual Sportscade. Part of the proceeds from this sporting event went toward this year's bigger, and finer annual.

There are new friends and new interests. There are new loyalties, too. Some of our friendships are temporary, starting only because of circumstance. Some will grow and last. It takes a while to find which are which.

FRESHMAN OFFICERS

The Freshman class started out its first year at Liberty with a big bang, by taking charge of a coke sale at one of the first football games.

Freshmen this year added to the standing of Liberty High by conducting a March of Dimes campaign which tripled last year's income, on that event.

We like Liberty and hope to help make it even more successful in the future.

FRESHMAN SNAPS

At first we are too busy thinking about ourselves and the people around us to worry much about ideas. But later on we begin to think about bigger things, and we find that getting together in a group is a good way to find out what others think. We begin to see, too, that adults can sometimes be a help, if we want them to be.

The Freshman initiation and reception, given by the Sophomores, was a big success and a lot of fun.

The Sophomores won first prize in the Homecoming parade for their float, "Mary Had A Little Lamb." It represented a lot of hard work, but it was fun.

The class rings were ordered and received before Christmas. Everyone was pleased with the choice.

Climaxing the year was the very successful Sophomore Hop.

CLASS OF '55

Under the guidance of the capable Senior officers, the class of '55 began a very active year by helping the freshman class organize its first sale. However, the annual Homecoming provided us with a grand opportunity to carry off a successful coke sale of our own. In the parade our animated "Cheaper By The Dozen" float, drew many an appreciative chuckle.

Our Senior Class initiated a series of noon dances in the second semester, and we further increased our funds by means of coke sales during football and basketball seasons, plus a successful after-game dance in January.

Springtime saw the annual Senior Talent show where the Student Body applauded a number of skilled performances. Later the Class of '56 played host for a delightful Junior-Senior picnic.

Naturally, the colorful Senior Ball provided the highpoint of our year. A result of careful planning and hard work, this event concluded our social activities.

Then came the climax . . . commencement with its mixture of sadness and joy when ours was the first class to graduate in our own caps and gowns, thus ending the career at Liberty of the Class of 1955.

1955 BASEBALL SUMMARY

The 1954 baseball team placed second in the new league with a record of six wins and two losses.

The highly successful season was highlighted by the following: five consecutive one-run games; Liberty's first night game at Lodi; defeat of Livermore and San Ramon twice; Roger Stone getting six straight hits; David Mack, a converted pitcher shutting out Alhambra with no runs and three hits; good defensive play by Don Rennells, John Wisecarver, Mike O'Brien and Tony Sanchez; Al Celoni's relief pitching in edging 1 to 0.

At the conclusion of the year David Mack was selected for the Block "L" outstanding player trophy and Don Rennells was elected honorary captain.

Graduating seniors are Don Rennells, Joe Geyser and David Mack.

SUMMARY 1955 SWIMMING SEASON

The team was plagued with our usual early season problem again this season—cold water. They went into the first meet with less than one week of practice. Considering the fact that the boys were way behind most other teams in conditioning, I feel that they gave a very good account of themselves.

We had some unusually good prospects out for the team this season who should turn out to be outstanding swimmers by the time they graduate.

Leroy Hartwig, and Jack England provided the one-two punch this season with each of them racking up new school records in their respective events.

We finished in third place in the "B" Division and fourth place in the "A" Division of the E.B.C. Division Meet at San Ramon. This was about where we expected to finish in the "A" events but the "B" team provided us with a pleasing surprise in finishing third.

Next season, we are supposed to have a heated pool, and I look for great strides to be made by our swimmers in improvement of form, technique, and times.

SUMMARY 1955 TRACK SEASON

This season was highly successful even though we placed no higher than third in our first season in the re-organized league. San Ramon and Alhambra had great track teams well stocked with top-notch senior talent. Our representation at the league meet was very creditable.

We broke fifteen school records this season, which speaks very well for the calibre of athletes we had on this team.

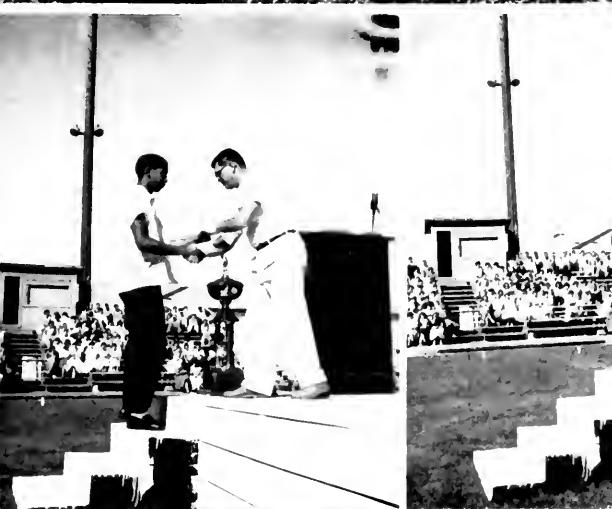

Our relay teams gave excellent representation, at all of the large meets this year spreading the name of Liberty over the length and width of the Central Valley and the North Coast.

Next season, we expect a few boys to qualify for the state meet; also, we expect our medley relay team to be one of the best in the state.

The really outstanding work this year was done by Herman Urenda, Stan Fortner, Rodger Ball, Dan McClain, Tom Shelton, Jerry Allen and George Henry.

The spirit of the squad was very high this season with the desire to improve very much in evidence among the team members. A fine group of freshmen turned in excellent performances and should do very well in the next three years.

With help in the sprints and the weight events, Liberty could again assume a very high track standing.
